Re: Berks County, Greenwich and Windsor Townships, Dreibelbis Station Covered
Bridge Rehabilitation Project, Open House Public Plans Display

Dear Mr. Caswell:

The Pennsylvania Department of Transportation and Berks County will conduct an Open House for the rehabilitation project of the Dreibelbis Station Covered Bridge over Maiden Creek along Township Road 745 in Greenwich and Windsor Townships, Berks County. The project will involve the rehabilitation of the existing structure over the Maiden Creek and all necessary roadway approach work.

The purpose of this letter is to invite you to an Open House Public Plans Display on Tuesday, November 22, 2016, at the Greenwich Township Building located at 775 Old Route 22, Lenhartsville, PA 19534 from 6:30 p.m. to 8:00 p.m.

The Pennsylvania Department of Transportation and its design consultant P. Joseph Lehman Engineering will be present to discuss the project objectives and any questions you may have regarding this project. All interested parties should plan on attending.

The meeting location is accessible to persons with disabilities. If you need special accommodations or would like additional information, please contact Project Manager Mahendra Patel at 610.871.4566 or mahepatel@pa.gov.

Sincerely,

A handwritten signature in black ink that reads "Christopher J. Kufro".
